

Why Saaa ?

WE ARE GLOBAL

Market leader in France and internationally available on all continents, commercial and technical.

Over the years Saaa has built a solid network of factory trained and educated Business Partners that assures a high level of service to our customers world-wide.

MADE IN FRANCE

All our products are developed, designed and manufactured in-house and that allows us to be extremely re-active.

OUR DIFFERENCE ?

Availability to develop tailor made solutions based on your requirements.

QUALITY

ISO 9001-2015 certified.

Lean management company.

In 2015, non-compliances reduced to the lowest level in the industry.

CUSTOMER SATISFACTION

Being faithful for over 40 years, a lot of brands have become real partners.
