

Signage Frame Pocket

Self-adhesive & magnetic

Description

Frame and display with style. The Signage Frame Pocket gives you an elegant way of showing your promotional documents and customer information. With the 3-side opening and magnetic closure documents are inserted and substituted in no time. Available in A3, A4 and A5 formats, and with repositionable adhesive, full magnetic or single strip magnetic back. On demand custom colours and own brand logo are possible.

Benefits

- Elegant and effective tool to catch visitors or customers attention.
- Exclusive frame effect.
- Easy substitution of your important promotions and instructions.

Where to use

On every vertical surface: windows, doors, boards, walls, etc. Perfect for schedules, opening hours, daily menus, charts, promotions, staff and visitors information. Works on glass and every smooth and clean surface.
