CI-100R

CASHINFINITY™

Rolled coin dispenser

A secure method for storing and dispensing rolled coin in combination with other Glory cash handling solutions.

SMART Cash Management

GLORY Retail Solution offers SMART cash management. It provides total secure closed cash handling, centralised control of cash inventory and optimisation of all cash processes throughout a store. CASHINFINITY is the most advantageous cash management system with remarkable flexibility and extensibility for retailers to fit any size of store, various business segments and each investment plan.

Glory Global Solutions is a World Expert in cash management, delivering technology and solutions that provide security, productivity and innovation to our customers. These solutions are supported by the technical expertise of GLORY Group of Japan, the pioneer in development and manufacture of money handling machines across the financial, retail, vending machine, amusement and gaming industries for nearly 100 years.

Across the world, Glory Global Solutions is trusted by thousands of organisations to ensure their cash is managed securely and efficiently whilst delivering the ultimate in productivity. 2,500 professionals, including over 1,300 service and support staff and 350 business partners cover over 128 countries delivering these solutions – wherever money moves.

CI-100R delivers multiple user benefits wherever there is a requirement to handle bulk coin

For retailers, the CI-100R can be placed in the back office and used to dispense coin rolls to checkout positions to ensure they always have a constant supply of change funds.

Coin rolls can be manually replenished by cash managers or even CIT personnel in the back office as and when needed. By dispensing only the exact denominations required for checkout positions, CI-100R can help improve the operational work-flow of a retail store.

- Fast coin roll delivery when and where it's required.
- Provides cashiers with a source of coin change funds, to ensure their tills are always able to provide change to customers.
- Flexible integration with other Glory CASHINFINITY™ equipment, to provide a complementary solution for coin roll provision.
- Reduces the time cashiers need to spend on preparing coin, and frees their time for more value-added activities.
