Cooledge SURFACES @ Euroshop

Join us at EuroShop to discover how light and material comes together for surface illumination to differentiate shop environments and build brand awareness. Experience first-hand how luminous surfaces can dynamically set the mood for any space when form and function are elegantly unified as one: Cooledge SURFACES - the fusion of architecture and light.

Cooledge @ EuroShop, HALL 10, B42, Monday March 6 -9, 2017
TIME: Multiple tours daily between 10:00am- 2:00pm.

[PLEASE BOOK YOUR TOUR HERE](#) to see how to:

- *create highly customizable retail environments with the pairing of light & materials*
- *maximize display space to let brands take center stage in the absence of traditional light fixtures*
- *maximize store footprint with exceptional low profile surfaces for ceilings, walls and large scale printed graphics*
- *fully Immersive surface illumination that adapts to ever-changing retail landscapes*

If you'd like to make alternative arrangements to meet with our team at EuroShop, please contact us at events@cooledgelighting.com. Hope to see you soon!

Please also join us for cocktails and live music at our partner event:
