

Computer Hardware Design

CHD 6800

Android™ based cash register

- ✓ Modern stylish design
- ✓ 10 inch touch screen display
- ✓ 58 mm fast, reliable thermal printer
- ✓ Customer display
- ✓ Completely noise free
- ✓ Easy maintenance and service
- ✓ Multi-touch display

Advantages of capacitive touch:

- super sensitive touch, much better user experience than using resistive touch,
- supports multi touch,
- hard surface is very durable against wear and scratches, while resistive has plastic surface that is easily worn out,
- no calibration necessary, maintenance free,
- true flat zero bezel surface is splash and dirt proof,
- much better picture clarity, no obstructive layer between display and observer.
